State To Blame County Man Says

Road Chief Squawks For Broadway Widening

J. H. Mack, county road commissioner last week asked the board of supervisors to jam down the throat of the State Highway Commission the two lane strip of Lemon Grove's Broadway from the city limits of San Diego to the interchange at La Mesa.

The road, which the county "loaned" to the state 22 years ago was termed "deficient" by Mack. He demanded a four lane road, 78 feet wide, in keeping with the 1951 traffic requirements filed by the State Highway Department in Legislature by which the Department applied for $2,375,000 for improvement needs as of that year. The state is now attempting to return Broadway to the county as a two lane road following the opening of the freeway north of Broadway earlier this year.

Mack quoted from the Highway Department's report which was later checked as accurate by the Automotive Safety Foundation in 1952, showing the road was operating at 15% over capacity in 1951. At that time approximately 10,000 average daily traffic count was reported. Earlier this month, after the freeway was opened, the daily average west of Massachusetts was more than 11,000 vehicles, or 23 percent over capacity for a two lane road. He said the road's width made a greater traffic count improbable.

A breakdown by sections shows Olive to Main Street carrying 20,400 vehicles a day by recent count, Mack said.

By areas:

	Daily
From Mass. to Olive	15,700
From Olive to Main	20,400
From Imperial - Kempf	13,100
Kempf to Sweetwater	9,700
Sweetwater to Fairway	9,300

On a 1952 measurement the deficiency has increased greatly. Mack said the road is over capac-

The Dimmer VIEW

By MAX GOODWIN

The Grossmont Hospital District board of trustees is asking for the use of $600,000, of district money which will be used as a one-third part of the $1,800,000 they expect to use to build a new 143 bed wing. The difference coming by way of the Hill-Burton Act funds.

The board, in printed material which they are presently disseminating, points out that less than 15% of the hospital's patient load comes from outside the district.

They need better housekeeping bookkeeping before they convince me the need is as real as they say it is. A list of births sent five days later than the material referred to above assuring us that "nobody but us district taxpayers" is using the hospital to any great extent, tells a different story.

This material lists 39 births at Grossmont from March 28 to April 4. Fifteen of these are from San Diego parents. That, boys and girls of the fifth grade and beyond, says that 38¼% of people in the pregnant category come from outside the district. For us smart calculators who want to know how much variance there is between what Grossmont says is so and what actually is so, the Board is wrong by 150%.

I assume the board's claim of the hospital needs is nearer right than that.

No sense in stopping now that we're on the subject of taxing bodies. This has to do with the State Board of Equalization about which no one aparently dares complain, though why they don't is a mystery to me.

I learned that the Sales Tax Division of the State Board de-

Dinner To Kick-Off Public Schools Week

Public Schools this week will be marked in Lemon Grove April 28th through May 4 with a series of visitation dates. Highlight of the week will be a Lemon Grove Masonic Lodge sponsored essay contest. Winners will receive awards at a Masonic Lodge dinner which has been set for Sunday, April 28th at 6:30 p.m. at the Junior High School cafetorium.

Essays are to be in two classes: Grades 4 and 5 will do papers on "What I Like About My Public School." Grades 6, 7 and 8 will write "Better Trained Americans - Public School Products."

Plaques and medallions will be awarded to winners at the dinner. Dinner price is $1.75 each and the affair is open to the public. Tickets may be obtained from the committeemen or from any Lemon Grove lodge member.

Committee is comprised of Dr. Calvin Nicholl, chairman; Judge Luther Hussey and Principal Clarence Allen.

BOOSTERS TO MEET TUESDAY

There will be another meeting Tuesday noon of the Lemon Grove Boosters Association and it's 35 members.

Boosters is a group of business people who plan and execute promotions for the good of Lemon Grove business. Half a dozen basic promotions are planned for each year on an anticipated budget of $2,000.

Professional people and property owners are presently being solicited for participation.

Meeting will be held at Michael's and all interested persons are invited.

Business Women's League Installs Mrs. Farle

TENTH — Mrs. John Farle (right) was installed as president of the Lemon Grove Business Women's League Saturday at a dinner dance at Michael's. Lemon Grove's Business Womens League held their 10th installation dinner Saturday at Michael's. Distinguished guests included Judge and Mrs. Luther Hussey; Max Goodwin, editor and publisher, Mrs. Goodwin, president of the Kiwaniannes, and Mrs. Fred Scheneman, president of the Grove Woman's Club, and her husband.

Mrs. Burton C. Snyder the first president and originator of the Business Women's League had the honor of being the installing officer and gave an outstanding performance. Newly installed officers were escorted to the floor by past president of the club, and given an interesting relay of their duties and obligations. They were then presented with a gift by Mrs. Snyder. Mrs. Ethel Oyler the outgoing president presented the club pin and gavel to Julia Farle and expressed appreciation to the outgoing officers. Mrs. Jean Nicholl presented a gift to the outgoing president.

Julia Farle made an acceptance speech and called the newly appointed chairmen to the floor for an introduction. They are as follows: Membership, Ethel Oyler; Beautification, Edna Snyder; Civic, Geraldine Antonette; Ways and Means, Doris Chappelle; Telephone Reservation, Jean Nicholl; Social, Dorothy Louer; Publicity, Sadie Marder; Welfare, Ava Constant; Parliamentarian, Evelyn Lauritzen; and Historian, Milred Huebsch.

The highlight of the evening was a presentation of a Certificates of Appreciation by the Huseys to each of the clubs past presidents with a special recognition of their accomplishments for the year they served. Mrs. Burton C. Snyder, Mrs. Ellison A. McGuire, Mrs. Bruno J. Leonesio, Mrs. Alfred J. Huebsch, Mrs. Paul S. Louer, Mrs. Alfred H. Cole, Mrs. Calvin K. Nicholl, Mrs. James G. Oyler, were present to accept this with great surprise and pride.

Mrs. Vera Chaffe and her committee in charge of the decorations for the evening produced an outstanding creation of fresh lemon branches and real lemons sprayed with sparkling glitter. Miniature lemon boutonniers were pinned on all gentlemen.

Dancing got under way with music by a fine band. Mr. Henry Goldy donated a prize which was raffled and won by Mrs. Edna Snyder. Also a door prize was won by Mrs. Geraldine Antonette. The evening was a splendid affair and a tremendous success.

HID Bldg. Bid Called

The Helix Irrigation District directors called for bids on the $100,000 new district headquarters office building Tuesday.

The final plans and specifications for the new building will be completed and ready Friday, according to Byron Miller, district general manager.

The building will be constructed on a new site in the La Mesa Civic Center at the corner of Date and University Avenues. Miller told the board that the building will include 9,700 square feet of floor space and is planned in such a manner as to permit future expansion as the needs arise.

The current office building contains 4,800 square feet and is not considered adequate for the demands made by the rapidly growing district.

The construction will be completed in 120 days allowing the district to occupy the building aproximately mid-September.

The architects estimate that the building will cost more than $100,000, he told the board. Miller said that the district has been accumulating funds for this purpose by selling property over the past three years. Major properties sold were the present office building, the Nebo Street shops and the Eucalyptus Yard area.

The directors also called for bids on the construction of a one million gallon storage tank in Windsor Hills in La Mesa. Bids will be opened at 9 a.m. May 21 on either a concrete or steel tank, Miller said.

Normal 'Boom' In Area Real Estate Continues

The Real Estate Barometer, published monthly by Security Title Insurance Co., in April 1 issue, gives an encouraging slant to real estate sales in the area in March.

March's 3293 Real Estate Sales were considerably short of the previous March high reached last year, of 3484, but has exceeded by a large amount the totals of January (2868) and February (2642) of this year. The Barometer chart reflects an apparently unwarranted increase of possible Monthly Sales to 3800, as either March or April according to normal patterns is the high month of the Spring season. However, the 3293 transfers reinforces the contention that volume of 1957 real estate sales are of more normal than boom proportions.

Trust Deed recordings lag of 13% in number behind the same month of previous year is offset by the recognition that March 1956 was the high March in the Barometer Chart, thus this month's figure of 3030 ranks as second highest March. Dollar value, while being far from setting a record, continues to maintain a steady volume for 1957.

Increased activity for the year is to be expected because of the attractiveness of the revised cooperative mortgage financing of FHA for construction of homes and apartments, which several San Diego builders said they will try this year.

Transfers in Lemon Grove Spring Valley, first quarter 1957, were 147.

Loans by First National Bank totaled 109 for $1,298,107; U.S. National Bank, $368,069; La Mesa El Cajon Savings & Loan Association, 34, for $369,000.

The revelation that 560 homes would be built adjacent Lomita Village overlooking Encanto by a San Fernando firm pointed up the continuing growth of the Lemon Grove area and the growing need for urban type services.

In the transaction 172 acres have been transferred to Mort on Gribble, builder of "story-

Phone Installer Saves SV Home

The quick thinking of Dick Van Dusen, an installation man for the Telephone Company is the contributing factor in saving a Spring Valley home from being destroyed by fire, according to Don Clark, Spring Valley Fire Chief.

Van Dusen was installing a 'phone in the Robert Williams home at 3726 Bancroft Drive last Tuesday, April 9. He discovered a clothes closet afire and quickly closed the door to the bedroom and called the Spring Valley Fire Department. "That act," said Chief Clark, "kept the fire contained to the one room."

Chief Clark said the Williams' had no insurance on the clothing, and the damage to the bedroom was quite extensive, but the amount is undetermined as yet.

A baby had been sleeping in a room near the one where the fire occurred. Mrs. Williams was in the house at the time. About a week before she had suffered a heart attack and the shock of the fire re-upset her. Firemen had to administer oxygen to her.

Henry G. Reid Dies At 42

Henry Reid, 42, 3018 Main St., died suddenly Saturday from a heart attack. The Lemon Grove Fire Department responded to a call at his residence about 6 p.m. but was unable to revive him.

Combined Masonic services and services by the Congregational Church were held Wednesday at Conrad Mortuary followed by interment in Mt. Hope Cemetery.

Reid, known more popularly by his nickname "Blackie" was a pipefitter for Shafer and Stowers.

He is survived by his wife Margaret and four daughters, Constance, Bonnie Lynn, Susan and Diane.

FIRE DINNER DRAWS 300

More than 300 persons ate ham and fish with members of the Lemon Grove Fire Department, and the Women's Auxiliary Friday night at VFW Hall.

Profits, which were substantial, went into the Firemen's Relief Association Fund and is available to firemen in event of illness, death in the family and other emergencies. It also helps pay the Firemen's health and accident insurance.

Jim Sanchez, president of the relief association, and Mrs. E. Erault, president of the Women's Auxiliary jointly expressed appreciation to those who participated in the affair.

FIRE SERVICE DAY IS MAY 4

Coffee and donuts will be served Saturday May 4 at the Lemon Grove Firehouse on Central Avenue when the local fire department asks local residents to help them observe Fire Service Day.

The celebration is to call attention to the varied services rendered by the fire department, the high standards of the condition and readiness of equipment, and the devotion to duty of the men who serve.

Assistant Chief Fred Dixon reported that demonstrations of equipment would be carried on during Fire Service Day and tours would be conducted thru the fire house all day.

Harold Hensley is chief of the department.

Higher Salaries, Bigger Budget Faces Grossmont

A new salary level for Grossmont High School District teachers of $5,000 minimum and $10,000 maximum was requested last week by Ray Kniss, Faculty Organization president.

Action was deferred until the board can ascertain whether additional state aid is available but they voted to support the "principal of the salary revision."

Board members also heard a proposed budget for 1957-58 which estimates an increase of $533,875 over this year's budget. This will provide for 1045 more students than the 5921 enrolled in the District now.

Under the proposed budget, per pupil costs were held at this year's $375 which is $60 below state averages. Funds to finance this increase will come from increased state aid, increased taxes from increased assessed valuation, or by a 13 to 15 percent increase in the tax rate, authorized in 1956.

A P-TA committee from Grossmont High School and Harold G. Hughes, Associate Sup't, presented reports on buildings on the Grossmont Campus which need replacement. Trustees authorized procedure for selection of an architect to prepare a master plan for improvement of the 36-year old campus, originally designed for 300 students and now serving 2450. Target date for completion of new facilities would be September, 1958.

Funds to purchase band uniforms for the fourth high school in the District, Mount Miguel, were requested by the four Band Parents Organizations. The board voted $1,000 toward the project and an additional $5,000 toward financing the first year of the new associated student body. H. G. Hughes, reported that Mount Miguel will be completed to a point of which school can open there in September for 1400 students.

Seven teachers were employed for the year 1957-58, leaving 12 or 13 still to be selected.

CV School District Acreage LM-SV Schools May Annex

The La Mesa-Spring Valley School Board has again considered the possibility of annexing 136 acres now in the Chula Vista City School District (at the southern part of Spring Valley).

It was the concensus of the Board recently, that if this move was recommended by the County Committee on School District Organization it would not be opposed. The Board has been very cautious about taking any action that might result in increased costs, and consequently has studied the proposal for several months.

The Board is also continuing its "Friday Field Trips" to various schools in the county. The object is to see—first hand—examples of school construction by different architects. The study is a preliminary to selection of an architect for the next new project.

Avocados Should Be Watered Lightly, But Politely

The first irrigation of avocados in the spring should be deep enough to wet only the soil area which has become dry since the last rain. University of California Farm Advisor Don Gustafson reports that in many orchards the light textured soils have dried out in the first 12 - 18 inches. This means that the amount of water applied should be replenish the depleted area.

Soil tests made during February and March indicate that the winter rains helped in flushing the accumulated salts from the soil. The sub-soil is still moist and it would be a waste of water to apply a deep irrigation at this time. Some soils will differ in their capacity to hold moisture. Clay soils or hard pan soils should be given special care. Growers are urged, says Gustafson, to check the soil carefully to determine how much water is present and where it is located.

If spring weather is warm and dry, avocados should receive an irrigation every seven to ten days. The irrigation should be shallow (18" to 20"), which permits this area to be moist at all times. Keeping the upper soil at a fairly high moisture level has the desirable effect of supplying the trees with easily available moisture and maintaining the salts in a dilute state, which does not affect the trees so seriously. It is important to apply a longer irrigation every five to eight weeks, so the accumulated salts are leached out of the soil. Poorly drained soils should be handled carefully to prevent waterlogging.

Methodist Church Views Building Program

A program by which the Lemon Grove Methodist Church expects to finance a new parsonage and possibly a new wing for it's Sunday school is under way at present, it was announced by Norman Wollitz, building fund chairman.

Titled "Big Plan for '57," the program will cover that part the Methodist membership desires to complete.

Reverend Donald Cooke said that the project is a "budget in reverse." The total program would cost $17,000 but the program will be changed up or down in line with what the members indicate they want. The budget will be written after pledges are made, he said.

The present plant at the corner of Washington and Golden is valued at $70,000 and is new. $33,000 of that sum came as missionary funds from the Conference.

The church presently has a membership of 175 and the average attendance is 190.

Twelve teams will make an Wollitz said. Church members are asked to be at home that day from 2 to 6 p.m. in order that members of the canvass team can ascertain the wishes and build these opinions into a program.

Writers Club To Elect Officers

Election of officers will be the main order of business, when the La Mesa Writers Club holds its regular meeting Monday, April 22. The meeting will be held in the home of Mrs. Forster Couts, 7915 La Mesa Blvd., La Mesa; the time, 1:30 p.m. Mrs. Arthur (Nan) Thompson will preside.

At a recent Board meeting it was decided to hold the Installation meeting at the home of Dr. Zoe Cory Bemis, in Fletcher Hills. A potluck luncheon will be held at 12 noon. Name of the installing officer has not been decided.

BROWNIE TROOP 838 IS REACTIVATED

Brownies, Troop 838 was reactivated in the month of March, and reregistered in the month of April. The troop meets every Thursday afternoon in the San Miguel School, 7059 San Miguel Ave., Lemon Grove, Calif. Assuming leadership of this troop is Mrs. Helen Reynolds, and the committee is composed of the following members: Mrs. Peggy Brown, Mrs. Doris Hauser, Mrs. Virginia Jensen, Mrs. Pauline Patitucci, and Mrs. Virginia Thomas. The troop numbers 12 and the girls are Cheryl Allen, Gail Boedeker, Suzanne Brown, Cynthia Hauser, Janice Jensen, Patricia Patitucci, Claudia Peck, Noel Reynolds, Constance Schell, Janet Schroeder, Catherine Thomas, and Kathleen Torrens.

During the March meetings, the girls made Easter favors and delivered them to a rest home in Lemon Grove. They learned songs and games. Mrs. June Johanson came to the April meeting and invested the new leaders, Mrs. Reynolds and Mrs. Jensen, and three new girls, Suzanne Brown, Janice Jensen, and Catharine Thomas. A later meeting was devoted to learning the proper care of their fingernails and the necessary tools to so care for them.

Food Homemakers Topic This Week

"Let's Go Shopping For Food" will be the theme of the Spring Valley Homemakers, when they meet today (Wednesday) at 1:00 p.m. in the Pals and Gals Clubhouse on Troy Street. A discussion is to take place which will help the housewife to shop wisely and save money at the same time. An economical sample dinner will be displayed.

Visitors are always welcome at these meetings. Housewives are especially invited. Baby sitting will be provided.

Grove Should Plan Industry Says Silk

Lemon Grove should have an industrial section Harry Silk, Industrial Development chairman for the San Diego Chamber of Commerce told the Men's Club Friday. Industry means income to everybody in the county, he said.

He was guest of Manny Adler, Traveling Freight and Passenger Agent for the San Diego Arizona and Eastern Railway, the only railway in Lemon Grove with a fog-horn for a whistle.

Silk said that the county has a population of 900,000 and is growing at the rate of 40,000 a year. He said that a yardstick for industrial development is one acre for every 125 population and 50 employes per acre of industry. Building land ratio should be three to one.

Considerable discussion was held concerning an area south of Lemon Grove, west of Imperial which, discussion leaders opined, would make an excellent industrial development.

Each community should encourage industry if they want it, Silk said. Real Estate persons and chamber of commerces are held suspect when they attempt such a development. Community members shoud encourage property owners to convert to industrial and then join in getting industry to pick up the ball, Silk said.

Landlords May Be Charged For Tenants' Personal Property

In order to insure that household furnishings owned by tenants are not assessed to the landlord, it is necessary for the property owner to file an "Owner's Report of Tenants." Those landlords who have not filed this statement are requested to do so at once, thereby assuring that such personal property will be assessed to the legal owner. The reports, which are available in the County Assessor's Office, should cover only those tenants who occupied the premises on March 4, 1957.

Lutheran Church Lists Easter Services

Holy Thursday at 7:30 p.m. Holy Communion will be celebrated at the Lemon Grove Lutheran Church. It was on Thursday evening that Jesus ate the Passover with his disciples and instituted the feast which we know as the Lord's Supper.

Good Friday Services are sponsored by the National Lutheran Council Churches of the San Diego area at First Lutheran Church, 320 Secon Avenue, San Diego at Our Savior's Lutheran Church, Ohio and Lincoln in the North Park area. The services are from 12:00 noon to 3:00 p.m. Pastors of the four participating synods will speak on the Seven Words of Jesus from the Cross.

Easter Sunday at Lemon Grove Lutheran Church begins with a Sunrise Service at 6:30 a.m. Following the Sunrise Service, the young folks serve an Easter Breakfast. Tickets are on sale now. Worship Services will be held at 8:30 a.m., 9:40 a.m., and at 11:00 a.m. The 9:40 a.m. service is a Junior Worship service which replaces the Sunday School Class period for the day. Everyone is invited.

Pack 308 Makes 98% Score

Cub Scouts of Pack 308 of Lemon Grove proved themselves by passing inspection with 98.3 percent perfect at the meeting at Lincoln High cafetorium.

Out of a possible 9,700 points the Pack came out with 9,651 points. The monthly theme was "Swiss Family Robinson" and among all of the ingenious displays Den 4 came out the winner, with Dens 11 and 10 winning 2nd. and 3rd.

Awards and achievements were earned by the following:

Wolves: (New) Richard L. Whittlesey, Dennis Lockhart, and Michael Fellows. Gold Arrows, Joey M. Burnworthy, Richard L. Whittlesey, Gerald Porter and Daryl Stokes. Silver Arrows, Gerald Porter, Cary Francis, Richard Thurman, Jon Wokuluk, Phillip Embring, and Darryl Stokes (the latter three boys two each).

Mrs. Dail Becomes First Mt. Miguel P-TA President

Mrs. John (Louise) Dail of Lemon Grove, last Wednesday night was elected President of the newly formed Mt. Miguel High School P-TA.

Other officers elected were: Mrs. Earl Casner (Spring Valley), First Vice-president; Mrs. Robert E. Day (Brookside), Second vice-president; Mrs. Bert R. Cosby (Lemon Grove), Third vice-president; Mrs. William R. Hoye (Spring Valley), Fourth vice-president; Mr. Howard Kohler (Monterey Heights), Fifth vice-president; Mrs. Dale Hulett (Spring Valley), Recording Secretary; Mrs. Elwin Middleton (Lemon Grove), Treasurer; Mrs. T. A. Teaton (Lemon Grove), Historian; Mr. Jack Norr (Lemon Grove), Auditor.

The officers were installed following the election. Mrs. Lloyd Lewis, President of the Ninth District P-TA was Installing officer.

The Mt. Miguel Organizational meeting was formally opened with the Pledge of Allegiance, led by Principal Mel Grant.

Mrs. Ernest Savoy, Director of Extension for the Ninth District P-TA, introduced Ninth District P-TA officers and officers of the Mt. Helix Council.

Minutes of the Pre-organizational meeting, held March 27, were read and approved. By-laws were read and adopted, as were the standing rules.

Then the campaign for membership got under way. It kept increasing and increasing. A late report Thursday stated that 422 memberships had come in, according to the Ninth Distric P-TA. The number sets an all-time record for charter memberships in San Diego County. The new organization of P-TA is the 198th unit of the Ninth District.

After the introduction of Counselors, Mr. Harold Hughes, Assistant Superintendent of the Grossmont District, reported on the progress of the Mt. Miguel High School. He said the institution is a $2 million project, one of which we may well be proud.

Principal Grant then introduced the department heads and teachers.

Many beautiful gifts from other P-TAs were presented to the new organization.

The Executive Board of the Mt. Miguel P-TA will meet (tentative) April 25, at which time they will decide about future meetings.

Hardtke To Sell Lutheran Insurance

Edward A. Hardtke, Lemon Grove, has been named a representative of Lutheran Brotherhood fraternal life insurance society, it is announced by Axel Lundring, general agent at Pasadena.

Hardtke was a representative of Aid Association for Lutherans in the Chicago area for the past two years.

A native of Chicago, he also operated a television repair service in suburban Brookfield from 1950 to 1956.

Mr. and Mrs. Hardtke and their three children reside at 1324 Taft Street, Lemon Grove, and are members of Pilgrim Lutheran church (Mo.).

Lutheran Brotherhood is one of the country's largest fraternal life insurance societies, according to Mr. Lundring, with about $730 million of life insurance in force.

Miss Upton Joins Brides

Miss Carole Lynne Upton, daughter of Mr. and Mrs. Lynne Upton, 7939 Nichals Street, Monterey Heights, was married to Darold D. Cypret, son of Mr. and Mrs. J. Cypret, El Dorado, Kansas in a candlelight ceremony at the Skyline Lutheran Church. Reverend H. C. Bakken officiated.

The ceremony took place April 6th, and was followed by a reception in the church's Fireside Room. The couple visited Laguna Beach and Hollywood on their honeymoon before returning to take up residence at 7619 Norman Street, La Mesa.

Mrs. Cypret is a senior at Helix High School.

4-H Group To Use Airport Approach For Grazing

The Supervisors have agreed to lease 12 acres in the "clear zone approach" to Gillespie Field, Santee, to 4-H Clubs with a grazing project. The lease will be for five years at $1.00 per year, with necessary fencing provided by the 4-H Clubs.

The land will be cleared of trees now standing, the stumps to be removed later by the County. It is estimated that their removal will cost $1,000.

Chuck Luhring—young man getting up in this world

Just over a year ago, when Chuck Luhring decided to look into telephone work, he knew little about it. But because he showed good promise, he was hired and trained with regular pay. Today Chuck's a telephone lineman with a solid career ahead of him. In a business where management comes up from the ranks, there are lots of chances for promotion. The work is steady, and the pay keeps up with advancement. To Chuck, these things make a good job. And the fact telephone jobs *are* good, pays off for you, too. It means capable people are attracted into the business. And this means better service for you.

"Classroom in the sky," where Chuck Luhring got his training, is one of many telephone schools up and down the Coast. Others train operators, business office people, installers, and so on. Giving good people good training is another way we see to it that your service is in capable hands.

IT'S A JOKE, SON!

Two hepcat bebops ambled into a Lemon Grove restaurant, ordered some wild calories and a bottle of juice and then wanted some dessert. They asked the crazy waiter if he had any pie—he said that the pie was gone. So the cool ones' said, "that's frantic, Pops, we'll take two pieces."

MODERN MUSICA

Suggestion to the small-minded ADULTS who wage war on teen-age music: Go wage your useless war on the ADULTS who write it!. . . HIP records has Lord Richard Buckley's version of "Speak For Yourself John" on 54 r.p.m. . . Also a 45 EP record is now on the market that features James Dean banging the bongo's and ad libbing at an off-moment at one of Filmland's top night-spots—it's legit, too! . . . So you think The Pelvis "wiggles" too much, ehh? What's worse, having Elvis wiggle with clothes on or having strip-teasers wiggle in their birthday suits?? . . Now that DOT and DASH labels are stamped on some records, when will John Q. Public see the HYPHEN waxings? . . . and the top orchestra in the U.S. last year, according to Cash Box magazine, was Hugo Winterhalter!

SCHOOL NOTES

Suggestion to Helix Hi: If, for example, Myrtle Tilling was selected as the outstanding girl of 1956-57 in academics, why not surprise her at the Awards Assembly at the end of the year by announcing "Miss Academics — Myrt Tilling." Keep it hush-hush and bestow a little prestige on the winners, who, without a doubt, certainly deserve a moments glory for a year's hard work. Same would go for a "Miss Business ... Art ... Homemaking ... Music ... P.E." . . State's new Occotl prexy is Dean Strasser. . . Helix's new annual literary mag will "hit the stands" in a few days. It does not in any way duplicate the Tartan; every Highlander was eligible to submit copy and if it met with success it will become a Scotty tradition . . . State's music dep't will feature "Carmen" as their yearly stage opera. Said musical will be presented in May.

COOL 'N CASUAL

Once again the Grove Theatre is under new management. Once again I wish them good luck. Now remodeled, the theatre features a "rock-and-roll" program every Friday night for the teeners. Give-away nite is Thursday and there will be the usual Saturday matinees. . . Mexico is currently engulfed in a "yo-yo" rage. . . Do you know what Mr. Joe College looks like? The average local college student is unmarried, age 23, a vet, works part-time, lives at home and academically speaking is a first semester junior. Yeah, I agree! So what! . . . Latest in cocktails: A Lord Mayor Briscoe—made of Manischevitz wine and Irish whisky! (For adults, only, natch).

5-Year-Old Donna Jean Center Dies

Donna Jean Center, 5 years young, a native of San Diego, died in a hospital last Wednesday. Requiem Mass was celebrated Friday in Holy Catholic Church, followed by burial in Holy Cross Cemetery.

Conrad Mortuary was in charge.

The child was the daughter of Mr. and Mrs. William Center, 5905 Thorn St. She was the youngest of five children.

Donna Jean's grandparents, Mr. and Mrs. Harry O. Bowman, 6682 San Miguel, are Lemon Grove residents.

TWO GROVE STUDENTS CHOSEN BY FRATERNITY

Two Lemon Grove students at San Diego State were recently initiated into Alpha Lambda Delta, national honorary scholastic fraternity for freshman women, in banquet ceremonies at the Lafayette Hotel.

They are Mrs. Lois Kruse, 850 Del Anne Pl., english major, and Shirlee Quist, daughter of Mr. and Mrs. Clarence Quist, 8409 Golden Ave., elementary education major.

To be eligible for Alpha Lamda Delta, a student must carry at least 12 units of college work and maintain a grade point average of 3.5. A "B" average is figured at 3.0 with a straight "A" average at 4.0.

Dr. Gail Burnett, associate professor of English, is faculty adviser to the group.

'Pinkies' Project Going Good At Grossmont

Both the Lemon Grove and Spring Valley units, Grossmont Hospital Women's Auxiliary, held work parties recently to make "Pinkies," the hand puppets presented to all child patients at Grossmont Hospital.

Mrs. Bert Cosby, 8277 Golden Avenue, was Lemon Grove's hostess; and this get-together, which was originally planned for an earlier date, resulted in the completion of thirty-four of the amusing little toys; the area's chairman and sewing chairman —Mrs. W. K. Phillips and Mrs. Don Lowe, respectively, being personally responsible for the lion's share of this production.

This unit will hold its regular April meeting on Tuesday, April 23—a week later than usual, due to the Easter vacation—in the home of Mrs. Ted Nachison, 6683 MacArthur Drive, 10 a.m.

Spring Valley turned in sixty "Pinkies," as the result of an all-day work party, held April 11 in the home of Mrs. Fred E. Sherman, 10310 Don Pico Road. According to Mrs. N. T. Henkel, the area's chairman, the group wished to get their "Pinkie" commitment completed in order that they may concentrate on ties, cummerbunds, and other fancy fixings for the area's booth at the auxiliary's "Fiesta Rural," to be held July 12, in El Nadadero Club. Mrs. Everett Jones, the area's sewing chairman, reports that work has already started on the ties.

The units regular April meeting was held on Thursday of this week in the home of Chairman Henkel, 2626 Fairway Drive, Brookside. As this was to have been a combination meeting and work party, production for the Fiesta must be well under way.

Easter Program Announced By Trinity

Trinity Presbyterian Church, Spring Valley, extends a cordial invitation to residents of this community to worship on our hilltop this Easter Sunday.

There is ample parking space, an inspiring view, friendly people, excellent music worship and a program of Christian education.

Dr. Elmer Lloyd Jones, pastor, sermon topic will be "Easter Challenge". Three worship services and sessions of church school at the hours of 7:45, 9:15 and 11 a.m. make it possible for families to come together.

The youth groups and adult Bible classes meet each Sunday evening at 7 o'clock.

Middle-Aged Folk Urged To Take Polio Shots Now

Dr. J. B. Askew, dircetor of public health, this week urged all persons 40 years of age and under who have not yet been inoculated against paralytic polio to start their series of inoculations at once.

"There is still time," he said, for people to get their first and second inoculations before the onset of the polio season. Polio comes to San Diego County with warm weather. The season usually begins here between the middle of May and the middle of June."

Public immunization centers scheduled for Saturday, April 20, will be open from 9 a.m. to 2 p.m. at the following locations:

Lemon Grove Jr. High School, 1866 Lincoln Street, Lemon Grove.

Meridian School, 651 South Third, El Cajon.

Lakeside School, Woodside Avenue and Riverview Road, Lakeside.

Helix High School, 7323 University Avenue, La Mesa.

El Cajon High School, 1035 Madison Avenue, El Cajon.

Grossmont High School, Murray Boulevard off Highway 80, Grossmont.

The centers are scheduled by the San Diego Department of Public Health in coperation with the San Diego County Medical Society and are staffed by volunteer physicians.

Persons who received their first injection at any of these centers on March 2 should return to the same center for their second injection Saturday. First inoculations as well as third or "booster" injections will also be available free of charge to the individual at these same public centers.

Two injections of Salk vaccine afford a high degree of protection against paralytic polio, Dr. Askew said. He reminded persons who have received two inoculations, however, that a third or "booster" injection is important to cimplete the series and to give the fullest protection. This third shot, he said, should be given between seven and ten months after the second injection.

"The first inoculation of Salk vaccine is approximately 50 per cent effective in preventing paralytic polio."Dr. Askew said. "The effectiveness of the second injection is about 85 percent. The third injection is even higher."

"It would be a good idea," Dr. Askew added, "for persons who have had their second inoculation to mark their calendar, remember the date and make an appointment with their private physician for the third injection when it falls due."

BROWNIE TROOP 380 GIVES EASTER BASKETS

Fourteen members of Brownie Troop 380 of Lemon Grove played Easter Bunny last week when they personally delivered 15 Easter Baskets to the patients of Restful Acres Rest Home on Palm Street.

The girls, under the leadership of Mrs. Ruth Johnson, Mrs. Mary Brouillette, and Mrs. Margaret Southwick, made the attractive caskets by covering cottage cheese cartons and filling them with dyed Easter eggs and candy treats.

Troop 380 is planning a cookout to be held Friday, in Eucalyptus Park.

Mother of Trailer Court Operator Passes at 81

Death came to Delia Woody, 81, last week following a short illness at her home at 7150 Broadway.

She is the mother of Joseph Woody, operator of the Leewood Trailer Court at the same address, and Lester Woody of Compton.

Services were conducted by Conrad Mortuary at the Wee Kirk of the Heather followed by burial at Forest Lawn Memorial Park.

EASTERN STAR MEETING SCHEDULED FOR NEXT WEDNESDAY

A Stated meeting of San Miguel Chapter No. 579, Order of The Eastern Star, will be held April 24, at Friendship Hall, 3140 Main Street, Lemon Grove. Time at 8:00 p.m.

Worthy Matron, Mrs. David Fulton, presiding. Mrs. Thomas Keeton, chairman of After Chapter Party.

LETTERS TO THE EDITOR

Dear Editor:

I am writing to thank you for all the past kindness you and your staff has extended to Mr Palmer and myself.

We have been in Lemon Grove a good many years and have enjoyed every minute of it. We have watched it's progress, and growth from a little hamlet to a nice City. I call it City because I think it should be a City.

All the people of Lemon Grove have been so kind in my recent sorrow. I wish to take this opportunity to thank each and every one of them.

I plan to conduct the business in the same friendly way we always have.

Sincerely,
Mrs. Opal Palmer
Lemon Grove Trading Post

Walt Palmer, who was our friend, died Saturday, March 23rd.

the editor

Dear Editor:

"Buckets and tubs versus Swimming Pools."

We are pool owners and are proud and happy to be one.

We've owned our home 17 years and one year ago invested in a pool for our children's and their friend's enjoyment. Better to keep them home than running the streets.

I wish to contradict Miss Ragan on pool prices.

Ours was $2445, and is 16'x34' and 3' to 7' deep, and it is fenced.

At the first filling our bill for a 2-months period was $18.00 and took 21,000 gallons. That $18.00 included our household water, garden care, and car washing. Our bill normally runs from $4.80 ot $8.10 each two months period depending on the time of the year.

We have not emptied our pool, nor do we intend to for several years.

It has its own filtering system, which runs 4 to 10 hours a day, depending on the time of year. We buy chlorine at 45c a gallon, of which we use 2 to 4 gallons a week depending on the time of year.

This water is even cleaner and purer than some drinking water. We have it tested once a week in swimming weather and it must pass a rigid test.

We find this has been actually more economical than driving on congested roads two or three times a week to overcrowded public pools where one is apt to run into athretes foot or measles, etc. Our kids (which are too big for such anyway) don't sit with or play with sprinklers to cool off and let the water waste away.

There are at least 7 different families in this area that have pools similar to ours and are emptying them on someone else, but are enjoying them with healthful knowledge, water saving and personal safety in their own back yards.

Our biggest expense is the electricity with which to run the filter. The backwash we use to irrigate the garden. We use a bucket to wash our 2 cars. I've seen some people wash 2 cars and water runs down the street and then when they're through they wash down the drive.

I don't believe we have added more than 1,000 gallons in one year to our pool, and yet we, a family of five and many of our friends use the pool.

Lets hear no more about Pool owners. I think some people are jealous.

Sincerely,
Mrs. Albert Denlinger
8215 Golden Ave., Lemon Grove.

WEDDING WORRIES SETTLED

A La Mesa lady was checking the last details at the last minute, for her daughter's wedding. The mother asked a helper, "And did you arrange for the pianist at the reception?"

"Oh yes," the friend replied, "I obtained a famous virtuoso."

"Don't worry about his morals!" he mother retorted. "Just make sure he can play the piano."

Band Parents To Sell Calendar To Raise Money

Mt. Miguel Band Parents will embark on a "calendar" money raising event, it was announced this week by Eldon Gale of Spring Valley. He is treasurer of the band parents group and chairman of the money raising event. Money will be used to buy band uniforms.

Plan is to list anniversaries of willing residents on a master calendar for a small fee. These calendars will then be widely distributed throughout the area.

Members of the committee and their workers will circulate through the community this week to get the project started. Business firms will be asked to run ads in the calendar.

Mrs. Ralph C. Foye, 7413 Tracy, said that $1,700 income appeared possible from the venture. That would buy more than 20 outfits, she said. She is in charge of publicity for the project.

D. F. Ellis, also of Lemon Grove is advertising manager for the project. He said that the calendar would have a great value to homemakers. Clubs dates, lodge meetings, church functions and anniversaries of many of local townspeople would be listed.

Contributors are wanted and solicitors are needed, he said.

Meanwhile, the uniform fund has the promise of $3,000 from Grossmont High School District but this will not be available until next year. Less than $500 is on hand from other fund raising events.

Workers Can Get State Tax Back

Employes who paid more than $30 for disability insurance coverage last year are reminded by the Department of Employment that they are entitled to a refund of the difference between that amount and what they paid—but only if they apply for it. The deadline for applying is June 30.

The disability insurance program is financed by a 1 percent deduction from the wages of each covered worker up to the first $3,000 earned in the calendar year. Contributions totalling more than $30 may occur when an individual during the year works for two or more employers, each of whom withholds the 1 percent contribution.

Employes who overpaid in 1956—either the state, a private plan, or both—may obtain a form on which to apply for refund at any local office of the Department of Employment or by writing the department at 800 Capitol Ave., Sacramento.

KNEW BEST WAY

Tamms, Ill., (Spcl)—Trying to put some practical applications into her mathematics course, a high school teacher asked if anyone knew the cheapest method of placing a long distance call. Up shot one hand and the student said: "Reverse the charges."

Mt. Miguel Band Parents Meet Again Tuesday

There will be a regular meeting of the Mt. Miguel Music Parents Club on Tuesday, at 7:30 p.m., at the Spring Valley Jr. High. Many important items will be discussed, so it is imperative that all members be present. Students will provide a short musical program.

The Club is presently engaged in selling tickets to the U.S.C. Concert at Hoover High School scheduled for April 29th. Proceeds will go into the band uniform fund.

Church Youth Wash Cars To Aid Tecate Farmers

By Judy Myers

The Lemon Grove Senior Methodist Fellowship is sponsoring car washes to raise funds for their "VLP" project.

According to Don Cooke, minister and youth adviser, VLP stands for Valle de Las Palmas, a small and drought-stricken valley about twenty miles south of Tecate.

The local group, along with other groups in the San Diego-Los Angeles area, has been making work camp and supply trips to the valley for the past year.

Last spring an underground stream was found and the youth helped dig a well and clear the land for an experimental farm to determine what could be grown.

This year the Mexicans planted crops, thinking a pump would be provided for the well.

A recent report from Jim Tesh in Glendale, the man who is spearheading the project, said that if the pump was not delivered in April, the crops would fail.

Since the local group is planning a work project the weekend of April 26-28, two car washes to make the needed amount for the pump were proposed.

An extensive campaign to sell tickets to both in the church and community followed, but the required funds have not as yet been raised.

The first of the two washes will be held Saturday at the same location. Price for all cars is $1.25. The group will work from nine to five.

Tickets may be obtained from car wash chairman Curtis Barlow, phone HO 6-0609, and Bob Fredericks, phone HO 6-4808.

LADY CUSTODIAN EMPLOYED BY LM-SV SCHOOL DISTRICT

The Board of Education of the La Mesa-Spring Valley School District, recently approved the employment of Mrs. Esther McQuillan as a general custodian. She will be the first woman custodian ever to be employed by the La Mesa-Spring Valley School District.

Other school systems such as Lemon Grove and San Diego have employed women custodians for some time.

Capitol Rejects Support Law, Raise Judges Salaries

CHANGE IN SUPPORT LAW REJECTED

The Assembly Social Welfare Committee has rejected a bill to repeal a law requiring relatives to contribute to support of needy aged.

Law now requires persons to pay aged relatives in proportion to their income. The bill to change this was turned down when the committee heard it might result in the state losing 10 million dollars a year.

A 30 million dollar state-federal program to extend medical payments to the needy blind, aged, and children was approved by the committee.

Judges' Pay Raised

San Diego's ten Superior Court judges and eight Municipal Court judges would get pay raises under a bill approved by Assembly Judiciary Committee, which approved a 15% raise for the state's judges.

San Diego Superior Court judges now get $18,000 a year, of which the County pays $9500, and the state $8500, under a legislative wage formula. Municipal Court judges would get $18,975.

A bill providing mandatory retirement of all future California judges at the age of 70 has been approved. This measure is a constitutional amendment, and will be on the ballot next year.

ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that the Helix Irrigation District of San Diego County, California, acting by and through its Board of Directors, hereinafter referred to as the Owner, will receive up to, but not later than 2:00 o'clock, A.M., of the 14th day of May, 1957, sealed bids for the award of a contract for

AN ADMINISTRATIVE OFFICE BUILDING

Such bids shall be received in the office of the Board of Directors of said District, located at 4760 Spring Street, La Mesa, California and shall be opened and publicly read aloud at the above stated time and place.

Each bid must confirm and be responsive to this invitation, the Information for Bidders, the Specifications, the Plans, and all the other documents comprising the pertinent Contract Documents. Copies of the Contract Document are now on file and may be examined in the office of the said Board at the above address, and may be obtained for bidding at the office of Kistner, Curtis & Foster, Architects, 401 Spreckels Bldg., San Diego, California.

Each bid shall be accompanied by a certified or cashier's check payable to the Owner, or a satisfactory bid bond in favor of the Owner, executed by the bidder as Principal and a satisfactory surety company as surety, in an amount not less than 10% of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents, and shall provide the surety bond or bonds as specified therein within five (5) days after notification of the award of the contract to the bidder.

It is especially called to the attention of the bidder that the total time granted for completion of said work shall be 120 calendar days after notification to the contractor to proceed.

The bidder shall be required to submit with the bid a guarantee of bonds on the form provided in the SPECIFICATIONS.

The Owner reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4300 to 4334, inclusive, Government Code.

The Owner has determined the prevailing rate of per diem wages in the locality in which this work is to be performed for each craft or type of workman needed to execute the contract, which will be awarded to the successful bidder, to be as follows:

Trade or Occupation	Hourly Wage Rate	Per Diem Wage
Carpenter	$3.00	24.00
Electricians	3.50	28.00
Glaziers	2.90	23.20
Iron Workers, Structural	3.40	27.20
Iron Workers, Ornamental	3.40	27.20
Iron Workers, Reinforcing	3.15	25.20
Laborers, general or construction	2.30	18.40
Lathers, metal, wood and wire	3.625	29.00
Painters, brush	2.94	23.52
Plasterers	3.625	29.00
Plasterers tenders	3.375	27.00
Plumbers	3.55	28.40
Roofers	3.00	24.00
Sheet Metal Workers	3.15	25.20
Tile Setters	3.25	26.00
Truck Drivers: Less than 4 yds. water level	2.405	19.24

The foregoing schedule of per diem wages is based upon a working day of eight (8) hours. The hourly wage rate prescribed hereinabove is the per diem rate divided by the aforementioned number of hours constituting a working day.

OVERTIME AND HOLIDAY WORK: Not less than one and one-half times the above prevailing rates of per diem wages shall be paid for overtime work and for work on the following legal holidays: all Sundays, January 1, May 30, July 4, Labor Day, November 11, Thanksgiving Day and December 25, under the conditions specified in Section 6701 of the Government Code.

It shall be mandatory upon the contractor to whom the Contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the Contract.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

MARGARET C. PENRY,
Secretary of Board of Directors of Helix Irrigation District San Diego County, California.

MOTHER OF 900

Numerous Sons Make Her Queen, Almost

A hard working individual for the new Mt. Miguel High School, is Mrs. Tom (Betty) Welbaum, wife of the school's athletic director.

It seems she and Tom have been trying to figure every angle to save money for the new school. One important angle they came up with was to do the washing of the athletic clothing at the school—for some 900 boys.

"I know what," said Betty. "I'll go to Hollywood, get on "Queen For a Day", win a washer and dryer, and we'll be a set."

Betty's friends pooh-poohed the idea. But Betty's a determined person, and up to Flicker City she went. She headed straight for the tee vee studio, obtained a contestant's card, filled it out, and before you could say "Jack Bailey" she was on the show.

"Oh yeah?" you mutter. "You have gotta have a good line to get on that show." Well, Betty had a good line—"Help!! I need a washer and dryer for my 900 boys!!"

The voting for Queen came and went. But alas, Betty wasn't elected. Almost though — she came in second and won several consolation prizes. But her dream of the washer and dryer vanished with the results of the election.

But is Betty discouraged? I should say "not."

"Somewhere there is a person or persons who will see that we get the desired appliances for our Mount Miguel School," she said last week. And her voice sounded hopeful.

Wed Sunday

Carol LaVerne Covert, daughter of Mr. and Mrs. Robert C. Gallandt, and Robert F. Press, son of Mr. and Mrs. U. L. Press were married Sunday at the La Mesa Christ Lutheran Church. 400 guests atended the reception in the church parish hall.

The bride lived in Monterey Heights for eight years until she recently moved to Fletcher Hills with her parents. She graduated from Lemon Grove Junior High School, and three years later from Helix High.

The couple will reside at 4856

SPRING VALLEY CHURCH PLANS EASTER BREAKFAST

Spring Valley Friends Church will have an Easter breakfast 7 to 9 a.m. Sunday. Ham, eggs, potatoes, rolls, coffee and milk will be served. Charges will be 65c for adults, 35c for children.

Avoid over-weight. It puts a needless work load on your heart and blood vessels, says the San Diego County Heart Association, sponsor of the Heart Fund.

The slogan of the 1957 Heart Fund is "Help Your Heart Fund —Help Your Heart."

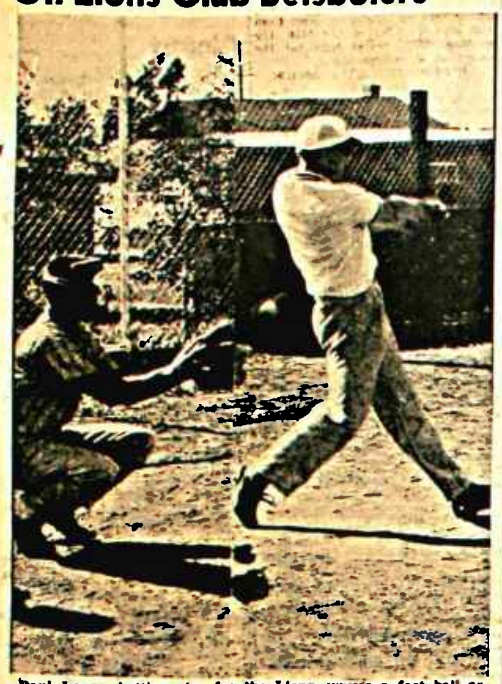
Kiwanis Puts Double-Whammy On Lions Club Beisbolers



Paul Lower, batting star for the Lions, wnats a fast ball as the Kiwanis slew the Jungle Kings by a score of 18-8. Some what Kiwanis catcher Ben Siler is shown taking the fast ball. L.G. Camera Foto

The indomitable spirit of the Kiwanis baseball team could not be squelched by the Lions Club Sunday so the Kiwanis Club and their friends racked up an 18 to 8 win in the inaugural game in the new Little League Baseball Park.

Three towering home runs were hit by Kiwanis members. Chan Mason, a perennial star hit two. Paul Reynolds hit the other.

Frank Armstrong, an attorney, fell enroute to first base and fractured his elbow. He had a cast put on it at Grossmont Hospital. Puff Holaday, Lion member, skinned both knees crawling to second after being caught off base. Also starring was Jerry Mather who managed to remain in the game in spite of losing the ball in the sun several times.

It had been agreed that the game would be regulation seven innings at which time the score stood 17-4. The teams agreed to play until the spaghetti dinner was cooked. At dinner time the score was 18-8. Total number of innings played is somewhat in doubt.

The game culminated a winter long project of the Lions Club in building the baseball park for the Little League. The Kiwanis team, traditional "enemies" of the Lions have beat them regularly.

The Lions boast a younger, shiftier, more athletic team but seem unable to get all these qualities going at one time.

Must Show Registration Certificate To Hiway Patrol Now

With completion of 1957 vehicle renewals, the Department of Motor Vehicles has notified traffic law enforcement agencies of the State that motorists now should be able to show evidence of current registration when stopped for any purpose on the public highways.

Motor Vehicles Director Paul Mason said in Sacramento: "Mail applications in 1957 reached us in unprecedented numbers on February 4, the deadline date, and during several days thereafter with February 4 postmarks. The processing of these last minute renewal applications is necessarily slower than in-person applications over the counter. Most of the more complicated cases received in the mail have now been processed, and those few that are pending should have a receipt or other evidence that they have filed for renewal legally."

The evidence of 1957 registration consists of a reflectorized red sticker attached to the rear license plate, and a registration card for the current year. According to law, the card should be displayed in the driver's compartment in a position that may be seen from outside of the vehicle.

WASHINGTON SUMMARY
by ED KOTERBA

RECESSION?

Congressmen are receiving mail which worries them even more than the complaints about the high budget.

The letters tell of a severe slump in trading activity—especially among the smaller merchants.

1,000 mile trip by this writer through Western Pennsylvania last week confirmed this. However, most merchants said business is steadily picking up a the Easter season approaches.

GASOLINE WARS.

As predicted by this column two months ago, gasoline prices are being cut.

A personal observation in the East showed high test gas selling for 26.9 cents a gallon in six different communities.

IKE EASING TEMPER?

At last week's press conference, the President still showed signs of temper when he retorted sharply that talk of his resigning was "the worst rot I have heard."

However, there was a marked softening-up in his attitude in contrast to the week before when he blew up at the question about White House helicopters.

When William McGaffin, the reporter was cut short by the President the previous week, asked Eisenhower another budget question, the President impatiently tapped his right foot while listening to the drawn out question.

But his voice was calm and subdued when he replied—and he gave a thorough answer.

THAT SPEEDING INCIDENT.

No one was more relieved at Mr. Eisenhower's pledge to stop speeding than the newsmen who accompany him.

Two reporters, both of whom have families, earlier told their superiors they would refuse to "risk" their lives on the fast trips.

However, their editors brushed them aside with this order:

"Carry out your assignments. You must consider yourselves expendible — just as in combat service."

PREDICTIONS.

Defense Secreary Charlie Wilson to resign on or about July 15.

Dave Beck will not seek re-election as Teamster president this fall as he boldly predicted he would . . . .

The Federal Trade Commission will force out of business a large number of the 400 companies selling trading stamps by claiming the firms violate merchandising laws . . . .

The federal school-aid bill will be defeated—largely by the vote of southern congressmen who say they wouldn't get any of the aid anyway because the south refuses to integrate Negroes . .

Lower down payments for F. HA-financed houses will be made available this summer . . . .

The Agriculture Department will step up soil bank payments next year, even though it's against Ezra Benson's philosopy. . . .

The Federal Communications Commission will allow pay-as-you-go TV in some cities—but only on a trial basis.

$1 BILLION PAYROLL.

Pres. Eisenhower is against padding the roll of civil service workers with additional help. He said so at his last news conference.

This came up after Sen. Harry Byrd of Virginia disclosed that federal workers are now taking in wages and salaries totaling one BILLION dollars a MONTH. The budget proposed 40,000 new additional civil service employes, but this is expected to be eliminated.

QUESTION OF THE WEEK.

How much money have American taxpayers contributed to foreign aid since 1940?

The answer: $130,350,032,000. That's more than the United States spent on itself from 1789 until 1940!!!

County promissory notes secured by trust deeds, together with cash on hand, the Public Administrator to continue collection on behalf of the County:

William Flaherty, Deceased, $6,657.63; Martha Greene, Deceased, $13,208.75; Ernest Hoerning, Deceased, $2,610.94; Lars D. Jensen, Deceased, $1,969.16; Laura S. Jensen, Deceased, $1,969.16; Jason Jones, Deceased, $6,426.10; Mary E. Powell, Deceased, $7,880.70; John Rosenkilde, Deceased, $2,736.86. Total $43,459.30, making a very tidy little sum.

PERMITS

Statement from Raymond Kenny that he does not own the junk yard situated at 1655 Sweetwater Road, Lincoln Acres, formerly reported as 1155 Sweetwater Road, although he does own property next to it, 2956 Grove St., Lincoln Acres. (On 3 - 19 - 57 the Board directed County Counsel to take appropriate action to correct three violations, one being a wrecking yard at 1155 Sweetwater Road operating without a permit.)

SPECIAL USE PERMIT

Letter from Kenneth A. Barwick, Attorney at Law, Lemon Grove, complaining that a certain portion of the work being done in connection with a special use permit granted to Helix Irrigation District for the construction of a water storage tank north of the intersection of High and Costa Bella Streets in Lemon Grove is not being done in accordance with the maps, drawings and specifications on file.

Letter from Helix Irrigation District stating that the District is aware that an error has been made in the placement of the chain link fence adjacent to the tank, and that the contractor has been instructed to relocate the fence; that the concrete block wall contemplated has not yet been constructed pending completion of the tank but that, after the temporary storage tank now in use has been removed, it will be possible to construct the wall and fence along the alignment as originally proposed.

TAX MATTERS

The Assessor requests that he be ordered to enter an assessment of $4,0000 assessed valuation on the account of Adeline M. Partch, on the secured roll being prepared for 1957, in four years, 1953, '54, '55 and 1956, vet entries of $1,000, for each of the years having been granted the taxpayer, and investigation now determing that her property exceeds the $5,000 statutory limitation; that the Auditor and Controller be authorized to compute the taxes thereon pursuant to Section 4948 of Rev. and Taxation Code; that the exemptions allowed be cancelled, (Consent and waiver of taxpayer obtained. Approved by County Counsel and City Attorney of San Diego). (Nice work, John. What's been goin' wrong with the checkers for the last four years? You'll probably find a number of similar cases as you go along. By the way, I hear nothing but compliments from the old heads in your office regarding the management since you took over, and much improved feeling of capability. You may have heard that this reporter worked as a Seasonal in your office for 20 years, checked thousands of statments each year. — D.H.)

Beginning March 1, the City and County made a lease agreement with H. A. Oliver to lease the south parking lot of Civic Center during specified evening and week-end hours; for a period of seven months.

This will accomodate baseball fans with a place to leave their cars while they watch the games.

ROAD TO WEALTH

Letter from S.D. County Grand Jury, class of 1957, censuring the Board for its action in authorizing the construction of Del Dios Road, at a cost of some $54,000, was ordered filed. Supervisors Dave Bird and James Gibson voted "No" on the proposal when presented to the then Board at the last meeting of 1956. Supervisors Austin, Howell and Robbins favored the proposal. The road passes through extensive acres of land then owned by then Supervisor Robbins, since sold by him.

Boy Scout Circus Dates Set

Plans are now being made for the biggest Scout circus ever staged in San Diego County.

More than 20,000 Cub Scouts, Boy Scouts and Explorer Scouts will participate in the circus which will be held at 7:30 p.m., Friday, June 14, in Balboa Stadium, according to Clifford Hansen, chairman of the circus committee of the San Diego County Council, Boy Scouts of America.

The theme of the circus will be "The Trail to Mataguay," and 8,000 adult volunteers also will participate in the program which will trace highlights of this area's history, with the focal point being the historical background of Mataguay.

The story of the 679-acre Mataguay Reservation near Warner's Hot Springs, which is being acquired, by the local Scout Council is one of the nation's most ideal outdoor activity sites for boys, dates back to 1846.

In addition to the main theme, the Cub slogan of "Be Square" and the Scout theme, "Be Prepared," will be stressed in the Balboa Park program.

This is the first Scout Circus since 1955 and the net proceeds of the event will go toward increasing boy activity programs in San Diego County, Hansen said.

ALPINE WATER DISTRICT BOUNDARIES OK'D

The Board of Suppervisors approved boundaries for a proposed Alpine Highlands Water District, three-quarters of a mile east of Alpine on the south east grade of Highway 80.

A hearing on the petition of G. S. Wilson et al, for the formation of the water district was held. No protests were heard. The proposed district includes 200 acres.

Hugh Kidder, who owned 17 acres, planted to luscious peaches in Alpine didn't know about the new district 'til Wednesday morning, and was some what perturbed. Said he wanted to be "included out" of any more districts. The Sewer district was plenty for him, he said, and dam' near ruined him, and he hasn't a connection yet. Still got the half moon in the "Casey's" door, Hugh?

In case you don't know Hugh, he has a first class Signal gas and oil station in La Mesa, gets up at 5 o'clock every morning, gets his own breakfast and tries to get home by 7 p.m. He numbers most of "the Quality" on Mt. Helix among his customers, and for the past 19 years has supplied gas and oil to this reporter's succession of used cars.

Anyway, Hugh's concern was groundless as to the water district. He lives on this side of the hill, has a good well and pumps water with electricity. Looks like a god year for peaches, too.

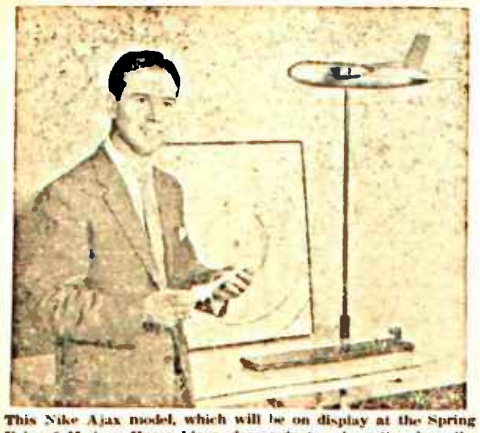
Spring Fair Set For This Month



This Nike Ajax model, which will be on display at the Spring Fair of Modern Home Ideas, demonstrates in action how the life-size missile, which will also be exhibited, will do its assigned job of defending key cities of the United States.

The 1957 admission-free Spring Fair of Modern Home Ideas, sponsored by the Bureau of Home Appliances of San Diego County, will this year be held from April 23 to 28 in the Electric Building, Balboa Park.

J. Clark Chamberlain, show manager, says that thie years' Fair will outshine all twelve previously held, in the way of new products shown and in innovations introduced to long-established ones. He states that approximately 100 exhibitors will be displaying the latest models of all kinds of gas and electric appliances.

The arrival of the electronics age will be evident everywhere in the many exhibits ranging from electronic ranges to the Nike Ajax Army missile, all effectively demonstrating the modern application of electronics research to many aspects of daily life. Another big attention-getter will be the "X-ray House", which dramatically and interestingly, room by room, demonstrates the importance of adequate wiring for 'Housepower" that contributes so much to living better electrically. For the first time at any Spring Fair, there will be an actual outdoor display of garden lighting and in the same outdoor area a traveling coach exhibiting controlled lighting for better home life. There will be colored kitchens galore and countless built-in gas and electric appliances from ranges and ovens to dishwashers and refrigerators. There will be a fascinating demonstration of the "burner with a brain", a comparatively new idea introducing top burner control. Food and cooking demonstrations will be conducted by many exhibitors and leading appliance manufacturers are bringing their expert home economists to the Fair to counsel visitors on all kinds of subjects, ranging from cooking and laundering techniques to fabric handling and food freezing. Hi-Fi equipment will be widely shown.

Finalists in the 1957 "Miss San Diego" contest will serve as hostesses each day of the Fair. Door prizes will be distributed each afternoon and evening.

On Tuesday, April 23, the first day of the Fair, doors will open at 6 p.m., and thereafter at 1 p.m. each day; closing time is 10:30 during the run of the show.

C of C Trophy To Go To Students

The Spring Valley Chamber of Commerce Board of Directors, Monday night voted to present a trophy to the student of the Bancroft School who will write the winning essay on the subject "What the New Bancroft School Means to Me." The essays are to be written by the sixth graders, and are to be 50 words or less. The presentation of the award will be at the Bancroft School Dedication, Sunday, May 5.

Another action by the Chamber of Commerce was to agree to let the Dedication Committee use the old bell that has been set up on the grounds of the Chamber of Commerce. The bell was used by the Bancroft Ranch, at the turn of the century, to call the hired hands to dinner and for special assemblies.

COMMUNITY CENTER

So the people of Spring Valley will not be under the impression that the Spring Valley Chamber of Commerce building and grounds is an institution that is paid for by the taxpayers of the community, that organization has decided to paint out the sign "Community Center" which adorns the top of the Chamber of Commerce hall and which is on the sign board at the entrance of the Memory Lane driveway.

"Some residents have been under the wrong impression about the operation of the Spring Valley Chamber of Commerce," said Board members recently.

The Chamber, which is a corporation, differs from the chambers in the metropolitan areas in that it is owned and operated by residents of Spring Valley, and not by merchants alone. The Spring Valley Chamber of Commerce welcomes any civic minded person to join its ranks. All meetings are open to the public, the last Monday of each month.

Square Dance News

Lariats

The Lariats beginners class will be promoted to intermediate Wednesday, April 24th, with a party in their honor.

A fashion show will be held along with other festivities and refreshments. Should be lots of fun, so why not join us at the La Mesa Junior High, 4200 Parks.

Marian Ashton caller.

SQUARE EIGHTERS

Guests from several clubs came to the La Mesa Legion Hall to help Square Eighters celebrate "Baseball Jamboree."

Venders were selling hot dogs, cracker jacks, peanuts, and soda pop throughout the evening.

The men brought their "old bats," while a few were umpiring the dancing and calling strikes and balls on different squares.

Pete and Helen Mighetto, gave out with some hilarious calls, which kept things moving.

Square Eighters, will not be dancing on April 24th, but will hold a May Dance, May 1st.

HUFF'N PUFFERS

Frank Dyson was club caller for the Huff'n Puffers when they met for their regular dance in the Spring Valley Chamber of Commerce Hall Thursday, April 4. Guest callers were Al Rider, Art Riding and Al Schaeffer. Hosst and hostesses were Ralph and Willie Mae Sowers, and Willy Riding, Hospitality chairman.

New members were Grehard and Soba Nielsen, Mary and Dick Ribley. Al and June Schaeffer were on the guest list. Special guests were the Heartland Couple of the Month, Woody and Opal Miller of the Dudes and Dolls.

The Huff'n Puffers meet this Friday night in the Chamber of Commerce Hall, and the theme will be "Easter Parade." There will be prizes given for the best hat, the most original hat, the funniest hat and the prettiest hat.

THREE LOCAL WINNERS IN RADIO CONTEST

Miss Ethel Greene, 2940 Helix Street; Mrs. M. E. Hallman, 7667 Circle Drive, and Mrs. Lorenz, 6768 San Miguel Avenue, have won prizes recently on KFMB's "Name The Show Contest."

There are weekly prizes given on the show which is aired Monday through Friday 2:45 to 5 p.m. A grand prize will be given at the end of the contest May 22.

OLD BANCROFT BELL TO TOLL FOR BANCROFT SCHOOL

When the new Bancroft School is dedicated Sunday, May 5, the big bell from the old Bancroft Ranch will be rung from on top of Dictionary Hill. The bell, historically, was used to call ranch hands and other Valley residents together on important occasions.

Dictionary Hill, a historic landmark, just behind the Bancroft School, got its name after early developers offered a free dictionary with each purchase of land. The bell, now cared for by the Spring Valley Chamber of Commerce, was used by Hubert H. Bancroft, rancher, and also noted historian credited with several famous series on the southwest.

In addition to ringing the bell, the Bancroft ceremony will be highlighted by an exhibit of old textbooks, report cards, photographs, and other items used in the old one-room schools in the area. An appeal for help from old time Spring Valley residents has already gone onut. Mrs. Rosarie Graham heads the Dedication Committee for the Bancroft School.

CEREMONY

The Northmont School ceremony, set for Sunday, April 28, will have a patriotic motif. Recently, children from that school wrote to Washington, D.C. for a flag that had flown over the Capitol. The flag has arrived.

To the accompaniment of the National Anthem played by the famed La Mesa Junior High band, and a salute by an honor guard representing the various Armed Services, the flag will be raised during the dedication ceremonies. Mrs. Beverly Hinton is Chairman of the Northmont Dedication Committee.

More Facts About Elvis

If you are interested in Elvis Aaron Presley, and read the story in last week's paper, lend me your left ear for a minute while I fill that organ of hearing with a few facts gleaned from "The Intimate Story" for which we paid 35c of our own dough. The magazine, nicely printed on black with white ink, with cover in color and a number of fotos of our hero, some wearing the same shirt in different poses, has a page devoted to "Facts on Elvis Presley," as follows:

Real Name: Elvis Aaaron Presley.

Birthplace: Tupelo, Mississippi.

Height: 6 feet. Weight: 180 pounds.

Hair: Brown. Eyes: Blue.

Mother's name: Gladys. Father's name: Vernon. (A better looking man than his son, we are told.)

Brothers and Sisters: None. (An identical twin died at birth).

Military: Enroute to Army.

Favorite Clothes: Sports coats and sporty shirts.

Cigarettes-Liquor: Does not smoke or drink.

Hobbies: Motorcycles, collecting teddy bears, cadillacs, swimming, water skiing.

Favorite colors: Black on pink.

Elvis built a home for his parents in Memphis with the first money he made after his "big break." He calls his mother every day no matter where he is.

He gets around 10,000 fan letters a week, never took any singing lessons, enjoys having a big dinner of three pork chops and plenty of mashed potatoes and gravy. Persuaded his Dad to retire a few months ago. "There isn't much sense in his working when I can make more in a day than he can in a year."

Elvis has no plans about getting married. Hasn't found the right girl yet.

That ends Elvis' story. I think he is a pretty fine boy.

I know three people in Lemon Grove who knew Elvis as a boy. They feel the same way. D.H.

Civet Kitty Finds Home At King's House

If you go calling "here kitty, kitty, kitty" at the Howard King home, down on Jamacha Road, be careful, it may not be "that kind of cat" that answers.

It seems Mrs. King (Millie we call her) believes that "Be Kind To Animals" week should last all year. She's had all sorts of animals at her doorstep from time to time, and they always receive some sort of a hand-out.

But about 8 months ago what did she find in her patio. A Civet cat (you might say little Skunk.) She (it was a she) was doing a bit of digging in Millie's plants. Kind hearted Millie lured Mrs. Civet into a cage, where plenty of milk was provided.

After a few days Millie started feeling sorry for the cat, and soon turned it loose. But Mrs. Civet had been treated too good for its own good, and soon it returned to the King home, but unbeknown to Millie.

One morning Millie noticed an unusual odor coming from the patio. Looking under the davenport she discovered Mrs. Civet with a collection of rotten eggs. That was too much. Millie called a pet shop and the proprietor said he would take the Civet cat in custody. But he "wouldn't be able to come today."

On the day the pet shop owner was to arrive, Millie thought she heard mice squeaking in the patio. On investigation she found . . . not mice, but Mrs. Civet cat, who had become a mother. The cutest little pink baby, with a white stripe down its back, was cuddling close to its mother.

Millie still had the cat and its kitten with her last week and all were quite contented.

"The cat won't spray me when it's near," said Millie. She did add though, that strangers better beware.

What is a Civet cat? According to the pet store owner, it is a member of the skunk family. In the southern states they are called "Spotted" or "Pygmy" skunks. They have to be deodorized just like any skunk if you want them for pets. The Civet cat is quite common in the south portion of San Diego County.

'Y' Youngsters Sell Soap For Camping

Boys and girls of the Heartland Area will be out to "clean-up the town" during the Easter vacation. It will be the annual YMCA Soap Sales where youngsters sell soap to earn their way to 'Y' Camp.

The sale starts Friday and will run for one week. It is open to any boy or girl nine years of age or over who plan to attend 'Y' Camp.

Soap may be secured at the Heartland Area YMCA office, 162 E. Main, El Cajon, HI 4-3592 or at the County 'Y' office at 8th and C, San Diego.

This summer County 'Y' camp will provide four sessions for boys and one for girls. The camp program includes swimming, archery, riflery, crafts, sports, horses, campfires, chapel, good food and fine leadership. The camp is located near Julian.

Commies Hunt Free

This may be a controversial way to start off a sports column, but did you know that Soviet Russia doesn't charge their hunters a nickel for licenses? And the only animal protected there, incidentally, is the mammoth Siberian tiger. Exciting news, ehh? A free map of the Colorado River may be obtained by writing to the Dept. of Fish and Game, 401 California State Bldg., Los Angeles 12, Calif. Enclose six cents in stamps for mailing charges and don't forget to include the return address. . . .Servicemen who can fish in this state without a fee, still must purchase a Special Use stamp to prowl the waters of the Colorado River. Some of you still want that map?. . .Starting September 20th UCLA's gridiron toughs will meet (in order) Florida, Illinois, Oregon, Washington, Oregon State, Stanford, California, Washington State, COP and USC.

California's Trout Season

Our Golden State's general trout fishing season runs from April 27 to October 31 but special local regulations should be checked first. Most waters are now at normal height, especially in the Sierras. Shasta Lake features a good surprising number of the slippery swimmers. .State College's second annual Aztec Pow Wow will be held Saturday night, April 27. The festivities include a luncheon in Aztec gym, a track clinic and track meet, a baseball game, and a dinner for alumni lettermen.

Welbaum to Guide

Lemon Grove's Helix Hi coach Tom Welbaum will be the head grid mentor of San Diego's County all-star football team when the challenge the best of the turf smashers of SmogCity in late August. He will be assisted by Hoover coach Roy Engle. Last year the Angelons ran roughshod over the hapless border crew. Let's hope this year a touch of Helix can straighten the score to read "Hometown Wins." But I'll perch my hide on an ant-hill and predict that NEVER ONCE will San Diego win a S.D. vs L.A. football game in the prep ranks. (Prove me wrong.). . .Lake Sutherland and Barrett will be open by the end of this week. . . .The Montezuma helmet and cleat warriors are now checking out gear for their annual spring practice. . . and then there's the one—He loves fishing through the ice, but his taste in fishing varies; Sometimes he thinks olives nice, at other times, it's cherries.

CdO 'Little League' Opener Scheduled May 5

Directors of the Cajon de Oro Little League announced that opening day ceremonies for the League will be held Sunday, May 5, at 1:30 p.m. The event will be at the baseball grounds, Russell Road and Fuerte, in Calavo Gardens.

Mr. John Foster, Field Chairman, reported on the progress being made on the field. New bleachers have been erected, the field enlarged and a new fence put up.

Work has been slow as work parties have been small. It is hoped that more parents will turn out, now that the tryouts are over and the boys assigned to the various teams. A lot of work is still to be done if the field is to be ready for opening day. Work parties are held every Saturday and Sunday.

DANCE PLANS COMPLETE

Dick Golden, Dance Chairman for the Cajon de Oro Little League, announces that plans for the League's first spring dance and fun night are complete. The dance will be held this Saturday night, April 20, in the S.V. Chamber of Commerce hall (Community Center) at 9050 Memory Lane, Spring Valley. Dancing will be from 9 p.m. to 1 a.m., with music by Spring Valley's Gertie Couch and her "Metronomes."

Proceeds from the dance will go to defray expenses of tournament play with other leagues.

(Let's all turn out and give our boys the boost they need. Remember, this Saturday night at the S.V. Chamber of Commerce Hall (Community Center).

Recent Sports Results

Highlanders

Beginning to flex their muscles a bit, Helix Hi have won their last two baseball battles after dropping a lop-sided 13-5 tally to Chula Vista. Helix has defeated City power Hoover (again), 11-2 and dropped Sweetwater in a revenge game, 7-1. (I predict that Helix will LOSE to Hoover in the SCIF play-offs AND Lion's Tourney. Helix defeats the Cardinals in seasonal play but when the games really count for the south State championships . . . . the Highlanders "fold.") In a JV tilt Hoover's yearlings defeated Helix, 8-5.

Aztecs

Doing terrif, as usual, San Diego State's baseball slate is mostly clean. Although they lost to NTC, 3-2 and Santa Barbara, 7-4 the Montezumans have whipped out Cal Poly twice, 2-0 and 8-3 and are currently tied for first in their CCAA league. PhibTraPac walloped the Aztec Papooses, 14-7 and State's tennis team conquered Long Beach State, 7-2.

Knights

Readying their forces for a tourney, San Diego Junior College has complete its half-way point in the tough JC Metro league in a three-way tie for first. The Knights defeated Santa Monica City College, 11-8 and lost to MCRD, 10-1.

Foothillers

Still trying to find themselves, Grosmont Hi lost to Sweetwater in a close battle, 7-6 and also dropped a 11-6 tilt to arch-rival El Cajon.

Saints

In the sports pages of St. Augustine Hi we find a JV defeat to San Diego High, 4-3; a varsity win over Escondido, 4-3; and a 7-0 smash of Mission Bay on the tennis courts.

Two local women are members of both teams in this popular ladies day time league. Margaret Fullford with L and G Appliance and Frances Force of Loma Drive, captain of the L. G. Shopping Center.

LOCAL BOWLERS IN ABC PLAYOFFS

Herb Fullford left by air Tuesday as a member of the "Club Venezia" bowling team to compete at the national A.B.C. tournament now underway at Ft. Worth, Texas.

Eight teams are representing the San Diego area this year. "Club Venezia" and "Michaels" being the two local entries.

New Bank For U. S. National Chain

C. A. Smith, Jr., manager of the Lemon Grove office of the U.S. National Bank, said that the bank has inaugurated services in its new branch office building in the Lake-Washington district of Pasadena. He said the new structure, opened last Friday, is the tenth to be built by this fast-growing 16-office independent bank.

"The new Pasadena building is in the Colonial architectural style which is becoming a trade mark of U.S. National offices in Southern California," Smith, Jr. said.

United States National now ranks among the 300 largest banks in the nation. Its 16 offices serve Southern California communities from Pasadena to metropolitan San Diego.

The bank recorded deposits in excess of $93 million as of December 1956.

Dog-Bitten Child Is OK

A couple of weeks ago a young dog, given by Ted Brinks, superintendent at Humane Society caused much concern to parents of the child when the child, romping with her pup, was scratched.

The dog, sensing the concern for possible rabies infection, disappeared, and was not found for some days.

Brinks reported Wednesday that the dog had been recovered and that the kid was OK.

Many times dogs are blamed for biting a child when a scratch breaks the skin and ordinary care for such mishaps heals quickly. The dog is put under observation and quarantined for a short period, and when no symtoms of rabies show, everybody is happy, as we are to learn that the child in this case is O.K. Also the pup. —D.H.

Lions To Sponsor LG 'Fairest'

Contestants for Lemon Grove's annual Fairest of the Fair and Miss Con-Tour contest are being sought, the Lemon Grove Lions Club announced this week.

The contest is open to girls between the ages of 17 through 22, who are single, never have been married, and bonafide residents of Lemon Grove-Spring Valley. The contest will be held Thursday, May 16.

Judging will be on a point basis for beauty of face and figure, poise and personality.

The winner will vie in county-wide finals June 2 for the Fairest of the Fair and Miss Con-Tour title and the right to reign over the 18th annual Southern California Exposition and County Fair at Del Mar, June 28 through July 7. She also becomes hostess of the San Diego County Convention & Tourist Bureau for a year.

Re the Proposed Annexation to the Lemon Grove Sanitation District

RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE LEMON GROVE SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Dent, seconded by Supervisor Bird, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County:
WHEREAS, Paul H. Whitmoyer, et al the owner of certain property in unincorporated territory of the County of San Diego contiguous to the Lemon Grove Sanitation District have requested this Board (Document No. 213550) to annex said property to said Sanitation District under the provisions of the County Sanitation District Act; and
WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 211168); and
WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 213546); NOW THEREFORE
BE IT RESOLVED AND ORDERED:
(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the LEMON GROVE Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:
All that unincorporated territory in the County of San Diego, State of California, lying within the following described boundary line, and being a portion of Lots 26 and 36 of Subdivision No. 5 of Lot 12, Rancho Mission, according to Licensed Surveyor's Map No. 63, filed in the Office of the Recorder of San Diego County:

Re the Proposed Annexation to the LEMON GROVE Sanitation District

RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE LEMON GROVE SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Dent, seconded by Supervisor Bird, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County:
WHEREAS, WILLIAM K. KNOWLES, ET AL the owner of certain property in unincorporated territory of the County of San Diego contiguous to the LEMON GROVE Sanitation District, have requested this Board, (Document No. 193892-A) to annex said property to said Sanitation District under the provisions of the County Sanitation District Act; and
WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 194078); and
WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 193890); NOW THEREFORE
BE IT RESOLVED AND ORDERED:
(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the LEMON GROVE Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

3. That notice be, and it is hereby given of the proposed annexation of said territory to the City of La Mesa a Municipal Corporation;

4. Notice is hereby given that on MAY 28, 1957, at the hour of seven o'clock P.M., of said day, at the Council Chambers at the City Hall of the City of La Mesa at Number 4755 Spring Street in said City, a hearing will be held at which time and place the City Council will hear protests made by any person owning real property within said territory;

5. The City Clerk of the City of La Mesa is hereby ordered and directed:

(a.) To cause a copy of this resolution to be published at least twice, but not oftener than once a week, in the La Mesa Scout, a newspaper of general circulation, published in the City of La Mesa, and also in the Lemon Grove Review, a newspaper of general circulation published outside the City of La Mesa, but in the County of San Diego (said publications to be completed at least 20 days prior to the above hearing date).

(b) To cause written notice of the above proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll available on this date, at the address shown on said assessment roll or as known to said City Clerk and to any person who has filed his name and address and the designation of the land in which he has any interest, either legal or equitable with said City Clerk.

(c) To cause written notice of the above proposed annexation to be mailed to the Board of Supervisors of San Diego County.

(d) To cause the notices referred to in paragraphs (b) and (c) above to be given not less than 20 days before the above hearing date.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of La Mesa, California, held on the 9th day of April, 1957 by the following vote, to-wit:

AYES: Councilmen Aceves, Logan, Harness, Nagel, Crosbie

Evaporation Can Be Cut With Use of Hexadecanol

Scientists may soon come up with a plan much like putting a lid on a bottle to aid the nation's drought-stricken regions by cutting evaporationg of water.

The plan, called the mono-molecular film method, involves the use of a compound that will spread out over the surface of a lake, reservoir or pond somewhat as oil covers the surface of puddles of water on a street.

Since most of the arid regions lose more water annually thru evaporation than is used for agriculture, irrigation, industry and in cities, the experts predict a great new water source when the process is perfected.

Dr. Buell W. Beadle of the Department of Chemistry and Chemical Engineering at the Southwest Research Institute in San Antonio, Texas, said the efficiency of the film on large lakes is unknown. Experiments on large bodies of water are planned later this year.

Beadle demonstrated the theory of the plan at a University of Kansas engineering conference.

The compound used to spread over the water is hexadecanol, which is floated on a lake in a raft cage. The compound remains at a thickness of only one molecule, but with the molecules so tightly packed together that evaporation is greatly reduced. Such compounds would be odorless, tasteless and harmless.

The film spreads out from the solid material and stops when the surface is covered. Any break in the film caused by boats, fish, swimmers or even rain is covered immediately by more film generated from material on the raft.

Dr. Beadle said the first to benefit would be the farmers and ranchers with small stock ponds and cities with small reservoirs. Experiments have shown the film reduces evaporation by as much as 45 to 60 percent.

That ought to be good stuff to apply to swimming pools, hey?

Trailer Towers Breaking Speed Law

SACRAMENTO (Spcl) — Violations of speed regulations by drivers of passenger cars towing trailers or other vehicles, and light trucks towing trailers are increasing according to information released today by the California Highway Patrol.

"During 1956 the Patrol issued 6,056 citations for violations of the speed laws governing the towing of trailers by drivers of passenger cars and trucks weighing over 4,000 pounds," declared Patrol Commissioner B. Caldwell. This is an increase of 29 percent over 1955.

"Motorists must remember that whenever a passenger motor vehicle regardless of weight or commercial vehicle weighing less than 4,000 pounds is drawing a trailer coach, trailer, semitrailer, or other type vehicle, the maximum speed shall not at any time exceed 45 miles per hour subject to other and more restrictive limits as established by law," Caldwell stated.

"The Patrol is always ready to answer questions concerning traffic laws and regulations," he concluded. "Stop by any of our field offices for further information on the use of trailers."

Normal Boom In Area Real Estate

book" type homes. This is not in the Lemon Grove school or fire district.

Meanwhile more than 1,000 homes are in various stages of construction in ten other individual projects.

Biggest of these is Sam Harris' San Altos development of 622 homes on the west side of Imperial, north of Encanto. Houses here are already being occupied. Larwood Homes, presently in the Lemon Grove fire and school districts as is San Altos, 239 under way with a tentative plan for 500 more. Los Angeles developer named Watwood is involved here.

The new Palm Avenue School will replace the 96 home tract called Lemon Grove Terrace, east of Washington and between Palm and Mt. Vernon indicating an established maxim that more homes means more kids means more schools.

On Skyline Drive, Skyline Estates, with some 34 proposed homes under construction is owned by various investors. Longdale near Palm and Imperial, once was called Pearce Acres and after several false starts is now the nesting place for 54 families.

On Mt. Vernon east of Washington tentative plans have been filed on a 28 home tract. William Bauer, an area subdivider identified with modest cost, quality homes, made the subdivision application.

Jackson Ammons is developer of Mulderhaven with it's 20 planned homes on Mulder Drive south of Palm. In the same general area Woodcrest with 19 homes and DiFoss Manor with 16 homes have long since been built, sold and occupied.

Mesa Heights, on San Miguel, east of Massachusetts is a development of Franklin Hobusch. Fifteen homes have been plotted here. The area is due west of the proposed new Congregational Church.

The Congregational Church, in turn, has filed a map on fifteen lots for as many homes at the west end of Roosevelt St. Filed under the name of Globe Subdivision the project will share land originally acquired for a new church plant.

Lemon Grove Manor lists 14 homes at the end result of a project under way near the west end of Alton Drive. Two homes have been sold and are presently being occupied says Chuck Tolbert who is builder and developer of the tract.

Marine Gets Shot With 'Empty' Gun

Sometime Sunday night a Marine, Arthur J. McGuire, was accidentally shot with a pistol by a fellow Marine, at the home of James McGuire, 3598 Hartzell St., Spring Valley.

Clyde McCullom, member of First Marine Battalion, Amphibitious Base, is said to have picked up an Army pistol lying on a bureau in another room, come into the room where the other Marines were gabbing about the war, and thinking the pistol was empty, pointed it at McGuire and pulled the trigger.

The bullet entered McGuire's left side below the ribs. The victim was taken to Naval Hospital, reported not to be seriously injured.

Sheriff's deputies were on the scene very soon. The deputies were told that the witnesses said the shooting was accidental.

All three of the Marines in the group were stationed at the Amphibious Base, have been instructors in gunnery and marksmanship for three years.

This reporter heard Don Ross' broadcast at 7:15 over KFMB, who later read his notes to us over the phone. The Sheriff's office later confirmed Don's report. —D.H.

TOO REALISTIC

Oklahoma Cit, Okla. (Spcl)—Twice a week Lt. Tom Logan of the Oklahoma City Fire Department delivers safety lectures at the city airport. Recently, while advising on what to do in case of heart attack, a passenger suffered an attack in the waiting room. Then, just few days later, while Logan was speaking again, a refrigerator gas tank exploded in the basement of the airport. His subject that time was, "Expanding gases and the danger of explosion."

manded $1,000 recently as a deposit from a man who was entering business in Lemon Grove. Claim was they wanted it to assure payment of sales tax that might be collected by the business in the future.

Courteous man by the name of James Dubbs answered my telephone call to the Board of Equalization. "Is it true," I asked him, "that you won't issue a retail sales license without a cash deposit?"

The man spoke at length of tax codes, state laws and board policy, reciting them all in measured tones for several minutes. When he finally stopped, I asked if I might resolve his three or four page answer into a simple "yes"?

He said "yes."

I asked why.

He said the department is charged with protecting the sales tax money for the State so it might, in turn, be used for the people. I, being "people" too, felt I was entitled to be helped by the sweat of my own brow.

That gave me an opportunity to sound off on my chronic complaint which has to do with unfair arrangement the state and federal taxing bodies has in making a citizen an unwilling tax collector.

Whether he wants to or not, and in spite of the bookkeeping expense which reflects man-hours of labor, many citizens must supply precise reports accounting for every penny he collects for the State Board, and save his records for five years to prove he wasn't cheating.

Does the State pay him for this record making and tax collecting? Heaven, no! He must not only keep them but he must put up a thousand dollars (in this case) to guarantee that he will collect the dough and send it in. There is also a jail sentence and money penalty involved if he fails.

While the federal government is also unfair in the racket of making unwilling collectors out of harassed businesspeople who must collect witholding and social security taxes, they have as yet to ask for a deposit to guarantee that they will obey the laws they have been obeying all these years. But with bigger and bigger budgets, and more and more bums on the federal payroll, this is bound to come eventually to the national level.

Lest I be misunderstood and be accused of starting a revolution, I want to boil down what I have said. I said no one objects to paying for government provided you are getting your money's worth. I do object to supporting tax collecting bureaus, paying them high wages and then doing their work.

I was interested in the corner the local school board contrived to wedge themselves in the selection of a principal for the new Palm Avenue School which is yet to be built. (The School, not the corner.)

The board charged the school administration with coming up with recommendations for this job and the administration, in concert with five principals of the district unanimously chose a man from a nearby district who had applied for the position. He was chosen on the basis of experience and ability. There were five other candidates, all local.

When the administration announced their choice to the board, they rejected it. The board evidentally wanted a local man for the job. There is nothing wrong with that except 1.) they didn't qualify the charge to the administration 2.) nor did they give the nominee an interview to see whether or not there was any basis for rejection.

At least one letter came to this office complaining bitterly that the board had acted "unprofessionally." The letter was unsigned but stated the writer was a teacher.

I think the board was silly in this action and the only thing that prevented them from being charged with total idiocy by me and perhaps others, is that there was another good prospect in the school system. The second choice lacked the experience background of the original choice which is probably the only reason the man was passed over in the first instance.

The board may be within it's rights in demanding that prospects be offered up until one comes along they feel they want but in the interest of sensible business operation these qualifications should be laid on the line. The administration is morally charged with choosing the best man for the job, local or not. If the board wants local men, regardless of ability, they should so state. In any event the nominee should be entitled to an interview by the board.

I think school business will have taken a step backward toward the unnecessary autocracy of a generation ago if this type of foolishness continues.

Nothing makes a child prouder than to be recognized in public. By a non-related adult. I might say the same is true for an adult when a youngster recognizes him in public. That was almost the case this week when "R. G." Knowles, son of Mr. and Mrs. William Knowles, 8043 Darryl Street, stopped me on Broadway Monday. He was with his baby brother.

"Mr. Goodwin," he asked, "did you know my birthday is next month?"

I had to admit I didn't and he seemed disappointed. A newspaper guy should know all these things. I wasn't going to get out on a limb by asking his name so I played it cool. I asked him how to spell his name. I didn't improve my position with him when he did, it being simply "R. G." "R. G." as I should have known, will be ten May 27.

Road Chief Squawks For B'way Widening

ity in varying amounts from 67% to 160% east of Mass.

The 1952 recommendation by the Automotive Safety Foundation was for:

4 lanes 12 feet wide, a 22 foot wide median strip, 2 - 8 foot shoulders with a right-of-way total of 142 feet. At that time the improvement cost was estimated at $2,375,000. On that basis the Highway Department applied for funds from the legislature. The improvements were never put in and presumably, Mack said, the money went for other road work.

He also complained that the state has allowed drainage problems to develop along Broadway's right of way. If and when the county improves Broadway these substandards and malfunctioning arrangements will have to be corrected and paid for by the County. The County maintains a policy of requiring property developers to plan for proper drainage when the property is improved.

Mack said that the state should have improved the road in keeping with the growth of the area and the increase in the road's use. Had it not been given to state use the county would have regularly improved the facility, much of it as far back as 1922 when improvement costs were considerably lower than now.

The road should be returned as an "adequate" road rather than a deficient one, Mack maintains.

The supervisors have since called upon legislators to initiate legislation by which the state would be prohibited from relinquishing deficient highways.

Ralph Luckenbach, district assistant engineer for the State Division of Highways said the widening of Broadway was abandoned in 1953 in favor of a then proposed four lane freeway which was later changed to a six lane full freeway and which is now in operation north of Broadway.
